

## Mark 10:23-31

### - **We anchor ourselves to broken and impossible things!**

- Wealth and riches are not inherently evil...  
...but the influence we allow them to have can be!
- When our comfort that we've created for ourselves on earth is more important than being uncomfortable we need to check our priorities!
  - Our definition of wealth should include insecurity.
  - Our practice of wealth can not avoid brokenness in the bodies around us.
- The illusion of independence hides the baggage that ultimately anchors us to the impossibility of enter the Kingdom of God on our own.

### - **"All things are possible with God."**

- We need a new metric for what it means to be rich or have wealth!
- Our created sense of dependency is wrecked in the fall...  
...redeemed in Christ's death on the cross...  
...and restored in the first fruits of the Resurrection!
- God leads us into His Kingdom by unburdening us from the very thing that binds us to brokenness the most!

### - **Eternal upset in the balance of power.**

- "...many who are first will be last, and the last first."
- Our heart in ministry beats to carry the blood of Christ to every extremity of the Body!
- The grace of God overcomes the impossibility of unburdening us, and makes our hope of His Kingdom a Resurrection reality!
